Auto Lock Measuring Tapes

BRAND Draper

WARRANTY Lifetime

FEATURES

- Dual sided black and white blade with metric and imperial markings
- Auto-lock with push button blade retraction
- Two-spike hook for taking precise measurements
- Impact resistant plastic case with soft grip outer

DESCRIPTION

This Class II accuracy measuring tape has a dual-sided black and white blade providing both metric and imperial markings. The end of the steel blade is fitted with a two-spike hook to help ensure precise measurements. The blade also includes an auto-lock function with push-button release. The tough impact resistant plastic case has a soft grip outer giving the tape measure a rugged look and feel.

Minimum order 12 or multiples thereof
