DESCRIPTION

The BUNKER 1829mm workbench is made from premium-quality steel. It features a spacious worktop for completing tasks and projects and a bottom shelf for easy access to tools and equipment.

The worktop and bottom shelf feature a retaining lip on all sides, which is designed to prevent tools from rolling off or being misplaced. With a ready-to-assemble design and adjustable feet for perfect positioning, the BUNKER® workbench is a must-have in any garage or workshop.

Upgrade your workspace with BUNKER today.

BUNKER workbenches are sent on pallets. Their high-quality construction means that some products are heavy and will require two people to lift them.
