

Draper Expert Induction Heating Tool Kit, 1.75Kw

STOCK No. 80808 **BRAND** Draper Expert

BARCODE 5010559808083

WARRANTY 12 months parts and labour

FEATURES

- Easy to use induction heater, operated by simply installing the appropriate coil type and place over or around the ferrous metal you wish to heat
- Each kit is supplied with a hardwearing carry case and four different shaped coils, delivering flexibility of use
- Compared against braziers or welding/heating techniques, induction heaters are far safer and economic, as they don't use a naked flame and you save on gas bottle hire

DESCRIPTION

Easy to use induction heater, operated by simply installing the appropriate coil type and placing over or around the ferrous metal for heating. Induction heaters are safer and more economical to use than brazing torches or welding/heating techniques. It is designed for use by professional technicians in garages, workshops and engineering facilities. This induction heater is portable and supplied in a carry case with four different shaped coils.
