

## **Draper Expert HSSE M35 Cobalt Drill Bits**

**BRAND** Draper Expert

**WARRANTY** Consumable Warranty

## **FEATURES**

- M35 high speed steel with 5% cobalt for long-lasting performance, abrasion resistance and heat protection
- Fully ground with a 135° split point for precise centring
- · For optimal results use in conjunction with a cooling agent
- Suitable for use with alloy steel, titanium alloys, stainless steel, hardened steel, cast iron and carbon steel
- Compatible with a standard 10/13mm chuck

## **DESCRIPTION**

These M35 high speed steel drill bits are manufactured with 5% cobalt for long-lasting performance, abrasion resistance and heat protection. Fully ground with a 135° split point for precise centring to prevent drill wander. For optimal results and a longer lifetime, Draper cobalt drill bits work best in conjunction with a cooling agent. Suitable for use with alloy steel, titanium alloys, stainless steel, hardened steel, cast iron and carbon steel. Compatible with a standard 10/13mm chuck.
