Ratchet Tie Down Strap, 8m x 50mm, 1700kg

STOCK No. 16266 **BRAND** Draper

BARCODE 5010559162666

WARRANTY 12 months parts and labour

FEATURES

- Provides durable polyester webbing for securing goods during transport and general load restraint
- Steel ratchet mechanism allows the strap to be tightened to help keep loads securely in position
- Protective plating on the steel ratchet helps protect the mechanism during regular use
- J-hooks fitted to both strap sections provide attachment points for compatible load-securing anchorages
- 8m length and 50mm width offer a practical size for securing smaller transport loads

DESCRIPTION

An 8m ratchet tie-down strap made from quality polyester webbing, designed to secure transport loads using a steel ratchet mechanism and J-hook fittings. Ideal for van and delivery drivers and tradespeople, it features protecting plating on the steel ratchet, and a 1700kg safe working load limit.
