BARCODE 5010559349647

WARRANTY Lifetime

FEATURES

- Marked range: 65-450Nm/48-332lb-ft
- Ratchet head
- Micrometer-type sleeve allows accurate pre-set torque values to be set
- Calibration certificate included
- Clockwise right-hand thread torque application only

DESCRIPTION

Ratchet head is engraved with Nm and lb-in scales on the barrel of the wrench with a micrometer type sleeve, allowing accurate preset torque values to be set. When torque is reached the wrench produces an Audible click and a release of tension. Marked range: 65-450Nm/48-332 lb-ft. Overall length 840mm. Calibration certificate included. Clockwise right - hand thread torque application only. Supplied in blow mould storage case.
