BRAND Draper

WARRANTY Consumable Warranty

FEATURES

- Suitable for water-based gloss and emulsion paints
- 100% solid round filaments for an even finish with minimal brush marks
- Stainless steel ferrule for durability and corrosion resistance
- Ergonomic soft grip handle with a textured thumb grip for added comfort and control

DESCRIPTION

These flat paint brushes are most suitable for water-based gloss and emulsion paints. Each brush has 100% solid round tapered polyester filaments that provide an even finish with minimal brush marks. The stainless steel ferrule is corrosion resistant, ensuring durability and longevity. The brushes also have an ergonomic soft grip handle with a textured thumb grip for added comfort and control.
