

Rotary Lawn Edger

STOCK No. 09982 BRAND Draper

BARCODE 5059482040771

WARRANTY Lifetime

FEATURES

- Trims grass edges quickly and neatly
- Lightweight and yet robust tubular steel shaft with high carbon steel blade
- Long shaft to help reduce back strain
- Durable hand grips for better control
- Non-skid footrest to exert extra pressure to cut when needed

DESCRIPTION

This lightweight garden lawn edger is designed to trim the grass edges quickly and neatly. Made from steel, this rotary edger is robust enough for long-term use. There is a high carbon steel blade that has been correctly sharpened to provide a clean cut. Overall it is 115cm long, which helps reduce back strain and the durable grips on the handles provide better control. The non-skid footrest can be used to exert extra pressure into the soil edge when needed.

CONTENTS

1 x Rotary Lawn Edger
