

# Draper Storm Force® Fixed Shade Auto Darkening Welding Helmet, Shade 11

**STOCK No.** 02517    **BRAND** Draper Storm Force

**BARCODE** 5059482033742

**WARRANTY** 12 months parts and labour

## FEATURES

- Shade 11 welding helmet
- Auto switches on striking arc
- Solar powered
- Adjustable headband

## DESCRIPTION

This Shade 11 welding safety helmet has a fast fully-automatic darkening reaction on striking the arc to protect the eyes. Suitable for ARC, MIG and TIG welding. The 90 x 34mm viewing area provides good visibility of the weld zone. The helmet provides UV and IR radiation protection at all times, even without power. It is powered by a Li-ion battery and solar panel technology, which works with the battery to provide longer life energy conservation. It has an adjustable headband for an optimal fit and comfort during use.

## CONTENTS

1 x Storm Force® Fixed Shade Auto Darkening Welding Helmet

## SPECIFICATIONS

|                       |                          |
|-----------------------|--------------------------|
| Welding               | TIG, MIG and ARC         |
| Lens size             | H 90 x W 34mm            |
| Shade levels          | 3 and 11                 |
| Lens switching time   | 5/10000s                 |
| ARC sensors           | 2                        |
| Operating temperature | -5 to +55°C              |
| Power source          | Li-ion battery and solar |
| Weight                | 426g                     |
