DESCRIPTION

This versatile 3-in-1 petrol leaf blower, garden vacuum and shredder features a powerful 25.4cc engine for fast, efficient garden work. Switching between vacuum and blower modes is effortless, and the soft-grip handle and lightweight design ensure comfortable use. The integrated shredder mulches leaves, grass, and compostable debris into a spacious 35L collection bag, reducing the frequency of emptying. The two-piece chute allows for easy storage and transport. Compatible with E10 fuel.
