FEATURES

- Made of die-cast aluminium
- Milled face for maximum flatness and high accuracy
- 90° and 180° UV and shock resistant vials
- Magnetic base
- Hang holes for easy storage

DESCRIPTION

This professional magnetic boat level is made from die-cast aluminium and it has a milled underside for maximum flatness and high accuracy. It has a powder-coated finish and strong rare earth magnets incorporated into the underside. The level features two UV and shock resistant vials set at 90° and 180° angles. There are hang holes at both ends for convenient storage. The accuracy of this level is 0.5mm in a standard working position.
