STOCK No. 08096 **BRAND** D20

BARCODE 5059482038174

WARRANTY 36 months parts and labour

FEATURES

- Part of the D20 multi-tool battery system
- Pressure generated without pumping
- Various spray pattern options
- Diaphragm pump
- Two-speed options
- D20 batteries and chargers sold separately. The D20 interchangeable battery system allows you to combine the same battery/batteries with any of the tools within the D20 series.

DESCRIPTION

This lightweight cordless garden sprayer can handle cleaning, watering, feeding and more. It has a dual-speed motor, offering both 40psi and 70psi at the flick of a switch. It has a pressure mounted diaphragm pump, so there is no need to manually pump to build the pressure. The adjustable shoulder straps are comfortable to wear, making it a highly portable solution. Supplied with a range of accessories including an extension metal wand, plastic wand and three interchangeable spray heads to create a variety of spray patterns. D20 batteries and chargers sold separately. The D20 interchangeable battery system allows you to combine the same battery/batteries with any of the tools within the D20 series.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
