DESCRIPTION

Part of the D20 multi-tool battery system, this sliding compund mitre saw is powered by a high-performance brushless motor. The blade measures 185mm in diameter. It features a laser cutting guide for accurate cuts, aluminium base and 0-45° bevel cutting. It is bench mountable and lightweight in design at only 10kg. Supplied with a 185 x 1.8mm TCT wood blade, 40T. D20 batteries and chargers available separately.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
