DESCRIPTION

This durable 16-in-1 multi-tool is ideal for bike repairs and maintenance when away from home and by the roadside. Equipped with 16 tools including tyre levers, chain hook and breaker, spoke wrenches, hex keys and screwdrivers. The tool bits are manufactured from hardened and polished chromium vanadium steel, except the tyre levers which are made from strong nylon. The multi-tools can fulfil a wide range of jobs such as fastening and loosening bike fixtures, tightening spokes to optimum tension, replacing tyre wheels and maintaining the chain. This multi-tool is lightweight, pocket-sized and a dependable addition to a cycling toolbox or kitbag.
