FEATURES

- Four light settings - low, high, super-bright and strobe
- Strong mounting magnet on the back
- Hanging hook/stand
- Belt clip
- Handy bottle opener
- Supplied with USB-C charging cable

DESCRIPTION

This rechargeable pocket light offers four light settings - low, high, super-bright and strobe. By holding down the on/off button, users can activate the super-bright mode. For hands-free use the light features a strong mounting magnet on the back and a support stand that also serves as a hanging hook. Additionally, it includes a belt clip and a convenient bottle opener for added versatility. The light charges directly using the included USB-C cable and it is equipped with charging LED indicators.
