FEATURES

- Brushless technology
- On-board tool storage
- Adjustable power
- Additional blower function
- Battery suitable for 2.0Ah, and 3.0Ah D20 batteries
- D20 interchangeable battery system allows you to combine one battery with any of the tools within the D20 series

DESCRIPTION

Part of the D20 multi-tool battery system. This cordless wet and dry vacuum cleaner is easy to use and designed to pick-up dry debris, dust and liquid. The adjustable power function allows you to choose between two levels of suction. The 10-litre tank and compact design are ideally suited for cleaning the car and around the home. The on-board tool storage system provides easy access to additional nozzles and accessories. Comes complete with 1x 3.0Ah battery and fast charger. The D20 interchangeable battery system allows you to combine one battery with any of the tools within the D20 series.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
