### FEATURES

- Get used to on-demand power when you need it. Performance-matched to the motorised head, the T.Link system drives powerful heads and accessories for a wide range of tasks. Go further with runtimes up to 50 minutes on low power mode or max out performance with 10 minutes of intense cleaning on full power mode
- Having an anti hair wrap vacuum cleaner which works on hard floor and carpet not only saves time, but increases performance durability which means you spend less time overall cleaning. The Mega-Glide with Zero-X technology captures everything in its path giving you more time doing the things you love. Time for a well deserved break!
- Quickly adapt to your needs and transform from an upright vacuum cleaner to hand held in seconds. With included brush and focus tools and ultra bright pathfinder LED's, for dust and dirt; there's nowhere left to hide
- Take on quick clean up jobs or the whole house with auto mode and variable power for high efficiency cleaning or ultra-powerful boost. Wall mount charging and removeable battery come as standard with additional T.Link batteries and accessories available to suit your needs
