

Draper Expert TX-STAR® Impact Screwdriver Bits, 1/4" Hex

BRAND Draper Expert **WARRANTY** Lifetime

FEATURES

- · Specifically designed for use with an impact driver
- The shock absorbing torsion design increases torque performance
- · Precision ground tips prevent cam out and screw damage
- · Made from S2 steel for durability and long life
- · Highly visible laser-etched size markings

DESCRIPTION

These 1/4" hex Draper TX-STAR® impact screwdriver bits are made from S2 steel, which is correctly hardened and tempered for durability and long life. Each has a blackened hex shank with a shot blast finish and precision ground tips to prevent cam out and screw damage. The shock absorbing torsion design increases torque performance. There are highly visible laser-etched size markings on the hex shank. Specifically designed for use with an impact driver.

Draper TX-STAR® products are compatible with †Torx fixing systems. †Torx is the registered trademark of Acument Intellectual Properties LLC.
