FEATURES

- Low profile professional jack
- Ideal for reduced clearance vehicles
- Quick-lift feature
- Heavy-duty aluminium chassis
- Large saddle
- Integrated rubber saddle pad
- Supplied with a two piece handle and EVA foam bumper to protect vehicle panels

DESCRIPTION

Low entry professional jack ideal for sports and custom vehicles with a reduced clearance height. Powerful single piston 'quick-lift' feature. Heavy-duty aluminium chassis enhances the strength and keeps the weight to a minimum. Large saddle aids positioning, integrated rubber saddle pad provides added protection to the vehicle. Supplied with a two piece handle and EVA foam bumper to protect vehicle panels.

Manufactured to EN1494 Specification
