FEATURES

- Part of the Draper Heritage garden range
- Made from beechwood
- Equipped with 12 prongs
- Comfortable tapered handle

DESCRIPTION

This Draper Heritage multi-seed tray dibber is made from beechwood. It has 12 prongs and is designed to quickly set out even dibber spacing in seed trays and nursery beds. There is a comfortable tapered handle on top for ease of use.

All Heritage tools use timber sourced from sustainable and responsibly managed forests or plantations, so you can be confident in the knowledge that your product has been manufactured with respect and protection for the environment.
