Needle File Set, 140mm (6 Piece)

STOCK No. 82577 **BRAND** Draper

BARCODE 5010559825776

WARRANTY Lifetime

FEATURES

- Hardened carbon steel (HRC 62–67) for durable cutting performance and long service life
- Variety of profiles (flat, taper, round, half round, square, triangular) for versatile precision work
- Softer tang (HRC <30) reduces brittleness and improves safety during use
- Black plastic handles provide comfortable grip and better control
- Compact 140 mm length ideal for detailed, intricate tasks
- Light oil coating helps resist corrosion during storage

DESCRIPTION

This set of 6 needle files are each made of hardened carbon steel for durable cutting performance, with a variety of profiles (flat, taper, round, half round, square, triangular) for versatile precision work. Features plastic handles and light oil coating for corrosion resistance.
