- Full metal gearbox
- Protective rubber bumper
- Forward and reverse
- Electric brake
- Includes impact sockets 17, 19, 21, 23mm
- Supplied in a sturdy plastic storage case

DESCRIPTION

Powerful electric impact wrench and socket kit, ideal for mechanics, steel erectors, fitters, engineers and car enthusiasts. The massive 480Nm of torque makes light work of removing rusted - on or overtightened nuts and bolts. The ergonomic lightweight design is fitted with a soft grip anti slip handle, providing comfort even when used for prolonged periods. Fitted with a full metal gear box, an electric brake, thermal overload protection, forward/reverse rocker switch trigger and 6m of rubber cable and approved plug. Supplied with 4 x impact socket 17, 19, 21, 23mm and a hardwearing plastic carry case.

CONTENTS

1 x Impact Wrench Kit, 1/2"
