Air Cut-Off Tool, 75mm

STOCK No. 84124 **BRAND** Draper

BARCODE 5010559841240

WARRANTY 6 months parts and labour

FEATURES

- Composite housing with compact design
- Rear exhaust
- Variable speed
- Lightweight aluminium housing
- 360° rotating guard
- Safety trigger prevents accidental starts
- Adjustable 4-speed regulator
- 360° rotating air inlet

DESCRIPTION

75mm compact air cut-off tool for cutting auto body panels and light metal. Manufactured with a composite housing fitted with a 360° rotating guard and an ergonomic soft grip handle, which provides comfort even when used for prolonged periods. The paddle trigger provides easy start and control whilst the adjustable 4-speed rear regulator helps deliver precision cutting when required. Attached with a 1/4" BSP airline connector which connects with the 360° rotating air inlet, helping prevent air-lines from kinking when in use. The ergonomic design and lightweight housing assist in prevention of the cold-sink effect.

CONTENTS

1 x Air Cut-Off Tool, 75mm
