

## 400V PTC Electric Space Heater, 9kW, 30708 BTU

STOCK No. 04570 BRAND Draper

BARCODE 5059482052484

WARRANTY 12 months parts and labour

### FEATURES

- A powerful, energy-efficient PTC electric space heater suitable for use in industrial settings
- The PTC ceramic heating element delivers fast, safe heat production
- Two heat settings available, fan mode and an adjustable thermostat to set and maintain room temperatures
- Thermal overheat protection
- Tubular stand with angle adjustment
- Supplied with fitted 16A 3P+N+E plug

### DESCRIPTION

This powerful, energy-efficient PTC electric space heater is particularly suitable for use in industrial settings. The PTC ceramic heating element delivers fast, safe heat production. The heater has two heat settings as well as a fan mode, and an adjustable thermostat enables a room temperature to be set and maintained. The electric space heater also has thermal overheat protection and a tubular stand with angle adjustment.

Manufactured and certified to CE
