FEATURES

- Head swivels 270° and magnetic base can rotate up and down 180°
- Clamp and hanging hook
- Three brightness settings - low, medium, high
- USC-C charging input and USB take-off
- LED charging indicator
- Supplied with USB-C charging cable

DESCRIPTION

This rechargeable work light features a clamp and an adjustable magnetic base that rotates through 180°. Its head swivels 270° to direct the beam as needed, and it also has a hanging hook for added hands-free convenience. The light offers three brightness settings - low, medium and high and can also be used as a power bank to charge mobile devices on the go. It is powered by a rechargeable lithium-ion battery and comes with a USB port for easy charging using the provided USB-C cable. Additionally, it includes an LED indicator to display the charging status.
