FEATURES

- Constructed from high-quality steel with a corrosion-resistant powder-coated finish
- Sturdy 255 x 255mm (10" by 10") base made with ribs and fully welded to a steel handle
- Steel handle with ergonomic non-slip cushion grip

DESCRIPTION

This heavy-duty Estwing tamper is constructed from high-quality steel with a corrosion-resistant powder-coated finish. The sturdy 255 x 255mm (10" by 10") base is made with ribs and is fully welded to a steel handle, providing an ample surface area for efficient packing and leveling. The steel handle with the ergonomic cushion provides the user with a non-slip grip and reduced fatigue while working. Designed to apply pressure for levelling ground, flattening and smoothing materials such as soil, gravel, asphalt and clay.
