DESCRIPTION

Part of the D20 multi-tool battery system, this super-bright cordless COB/SMD LED work light has three light modes and an adjustable beam. The metal tubular frame has a comfortable foam hand grip and rubber cushioned feet to avoid surface damage. As well as handheld and freestanding, it can be raised above using the integrated hanging hook or wall hanger. Fitted with a waterproof battery cover. D20 batteries and chargers available separately.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
