BRAND Draper

WARRANTY Lifetime

FEATURES

- Convenient pocket-sized pry bars
- One straight and two angled bars for better access - 27° and 55°
- Blades made from chrome vanadium steel
- Black oxide finish for corrosion resistance
- Plastic handle with pocket clip

DESCRIPTION

These pocket-sized mini pry bars are perfect for separating small components and disconnecting electrical clips. The set includes one straight bar and two angled bars, with angles of 27° and 55°. The angled blades provide better access when needed. The blades are made from chrome vanadium steel and have a black oxide finish for corrosion resistance. They are equipped with comfortable plastic handles fitted with a convenient pocket clip.
