230V Submersible Clean and Dirty Water Pump with Float Switch, 330L/min, 850W

STOCK No. 27481 **BRAND** Draper

BARCODE 5059482108174

WARRANTY 12 months parts and labour

FEATURES

- Puddle sucker functionality leaves as little as 1mm residual water
- Submersible up to 7m deep
- Clears water quickly, up to 330L per min
- Carry handle and compact design
- Automatic float switch
- Adjustable particle size - 1, 5, 15, 35mm
- Durable stainless steel pump

DESCRIPTION

Completely submersible up to 7m deep, this clean and dirty water pump features an adjustable maximum particle size (1, 5, 15, 35mm) with a clean water feature that leaves as little as 1mm of residual water, giving it additional use as an effective puddle sucker. All of this, paired with a lightweight, compact design that makes it easy to transport and use on the go.
