- Supplied with protective cap for the blade tip

DESCRIPTION

These pry bars are designed for optimal performance and user comfort. Each features a curved blade for enhanced leverage and a striking cap that allows for effective hammer-through action. The shock resistant soft grip handle provides a secure and comfortable hold, making it easier to tackle tough tasks. Made from hardened and tempered chrome molybdenum steel with a corrosion resistant blackened finish, these pry bars are built for strength and durability. Each comes with a protective cap for the blade tip, ensuring safe storage and transport.
