DESCRIPTION

The BUNKER 9 drawer modular floor cabinet is an excellent addition to your garage or workspace. Manufactured from high-quality steel and finished with a textured industrial powder coating, every modular unit from BUNKER is made to last.

With nine spacious drawers and sleek aluminium handles, this cabinet offers smooth, soft-close operation for each drawer. Additionally, foam lining in each drawer protects your tools when stored away. The cabinet's adjustable feet allow for optimal positioning on uneven floors, while the integrated lock with two keys ensures maximum security and safety.

Transform your workspace today, start with BUNKER.
