DESCRIPTION

Aluminium table with parallel action arm design which allows quick and accurate cuts. Incorporates a work light and flexible shaft suitable for use with Draper Multi-Tool accessories. The dust blower keeps the cutting line clear and a dust extraction facility removes unwanted dust when connected to a dust extractor. The worktable tilts from 0 - 45°. Uses 127mm pin end blades and pinless fretsaw blades in conjunction with 24433 blade clamp holder (sold separately). Fitted with a cable and approved plug.

No-volt switch
