DESCRIPTION

This mid-tool chest is constructed from sheet steel and has a tough industrial powder coated finish for durability. The spacious drawers have a stylish aluminium trim and are fitted with ball bearing sliders to ensure smooth operation. Each drawer is lined with a 2mm EVA mat to protect tools and prevent them from shifting. The worktop is also lined with EVA for added protection. For easy transport, the chest includes two side handles. To keep tools safe, it has an integral lock and two keys.
