FEATURES

- Made from chrome vanadium steel for durability and reliability
- Spring-loaded to reduce fatigue
- Precision machined and induction hardened cutting edges
- Finely ground and polished heads
- Ergonomic soft grip handles help reduce fatigue

DESCRIPTION

These mini combination pliers are made from chrome vanadium steel for durability and reliability. The spring-loaded design minimises user fatigue, while the precision machined and induction hardened cutting edges ensure effective performance. The heads are finely ground and polished for added quality. Additionally, the ergonomic soft grip handles provide a secure and comfortable hold, helping to reduce effort and fatigue during use.
