

Draper Expert Low Profile Trolley Jack, 2 Tonne

STOCK No. 24295 BRAND Draper Expert

BARCODE 5059482045110

WARRANTY 12 months parts and labour

FEATURES

- A 75-530mm lifting range
- Single piston pump for fast lift using the quick lift pedal
- Low profile design for ease of entry
- Integrated rubber saddle pad
- Dual-action safety lowering system

DESCRIPTION

This trolley jack has a low profile and a long reach for ease of entry. It is equipped with a single piston quick-lift pedal and six pumps to enable it to efficiently fulfil the lifting range of 75-530mm. It features a T-shaped handle with an integrated dual-action Lowering Control System (LCS) - a lift and twist lowering mechanism that activates with weights in excess of 50kg. It's fitted with hardwearing nylon wheels for quiet and smooth operation, and they also prevent damage to garage floors. There is an integrated rubber saddle pad to prevent damage to the underside of the vehicle, and an EVA foam handle cover prevents panel damage. There is a parts tray for convenience. The maximum capacity is two tonnes.

Manufactured to EN1494
