5 Way Crimping Tool, 230mm

STOCK No. 13656 **BRAND** Draper

BARCODE 5010559136568

WARRANTY Lifetime

FEATURES

- The multi-function design combines five wire and terminal preparation tasks in one tool, reducing the need to switch between separate hand tools
- Hardened and tempered carbon steel construction provides strength for repeated cutting, stripping and crimping operations
- Securely fitted vinyl grips provide a more comfortable, controlled hold during manual electrical and maintenance work

DESCRIPTION

The 5-way crimping tool is a versatile hand tool for cutting and stripping wires, shearing bolts and crimping insulated and non-insulated terminal connectors for electrical work. Ideal for electricians, maintenance technicians, automotive work, and DIY, it features a multi-function design, and is made from hardened and tempered carbon steel, with comfortable vinyl grips.

Suitable for crimping insulated terminals sizes: 1.5mm (red), 2.5mm (blue) and 6.0mm (yellow) as well as non-insulated terminals sizes 1.5mm, 2.5mm, 4.0mm and 6.0mm
