BARCODE 5059482022296

WARRANTY Lifetime

FEATURES

- Weed puller designed to remove root weeds ergonomically and effortlessly
- Deep reaching stainless steel three-claw design grabs the root
- Innovative spring device design to remove weeds
- Lightweight and durable aluminium shaft

DESCRIPTION

This weed puller is designed to remove root weeds ergonomically and effortlessly, thanks to its comfortable soft grip and long handle. Its deep reaching stainless steel claws grab the root and the long shaft means no digging or bending over is required. It is designed with an innovative spring device design to remove weeds and reduce the fatigue caused by standard hand operation. The weed puller has an aluminium shaft making it lightweight and easy-to-use and also durable.
