FEATURES

- Supplied with a front locking rip fence, mitre gauge, adjustable riving knife and push stick
- Rise and fall tilt blade
- Fitted with a no-volt switch
- Dust extraction facility
- Bench mounted or fitted to a stand (stock no. 82572)

DESCRIPTION

Square wood with maximum precision with the 250mm Sliding Table Saw. Powered by a motor of 1800W, it's designed for ripping, straight, mitre and compound angle cutting. With a fully extended work area of 800 x 590mm, there's plenty of room to cut large boards with ease. It has a single side extension to the right, and a sliding wing on the left. It is suited to the woodworking enthusiast. The saw is bench mounted or fitted to a stand sold separately (stock no. 82572).

No-volt switch
