STOCK No. 11805 BRAND Draper

BARCODE 5059482081811

WARRANTY Lifetime

FEATURES

- Short/long triple
- Forged from high-quality carbon steel
- Zinc plated for corrosion protection
- Chemically blackened screw

DESCRIPTION

This set of pullers with triple reversible legs for both external and internal pulling of gears and bearings. The pullers come in both long and short reach options. They are forged from high-quality carbon steel and are zinc plated to provide corrosion protection and facilitate easy cleaning. The screw has a rolled thread and is finished with a chemically blackened coating.

CONTENTS

3 x Triple leg reversible pullers - 65mm reach x 75mm spread, 80mm reach x 100mm spread, 180mm reach x 200mm spread
