110V SMD LED Tripod Site Light, 2 x 50W, 12,000 Lumens

STOCK No. 28291 **BRAND** Draper

BARCODE 5059482109461

WARRANTY 12 months parts and labour

FEATURES

- Robust cast aluminium construction with toughened glass
- Height adjustable 830-1,500mm
- Even spread of light through a beam angle of 100°
- IP65 and IK06 rated and suitable for industrial use
- 3m VDE cable and approved 110V plug

DESCRIPTION

This SMD LED tripod site light is robust with a cast aluminium construction with toughened glass and ABS plastic bumpers for added protection. The telescopic height allows adjustment between 830-1,500mm. Both lights provide an even distribution of light with a beam angle of 100°. Designed for industrial use, this site light is rated IP65 for water and dust resistance and IK06 for impact protection. It comes equipped with a 3m VDE cable and an approved 110V plug.

CONTENTS

1 x 110V SMD LED Tripod Site Light, 2 x 50W, 12000 Lumens
