

## Inside Spring Calipers, 150mm

**STOCK No.** 39451 **BRAND** Draper

**BARCODE** 5010559394517

**WARRANTY** Lifetime

### FEATURES

- Capacity 150mm

### DESCRIPTION

Designed for taking comparative measurements and transferring the dimensions to a micrometer, Vernier calliper or precision rule. Manufactured from high grade steel with a spring joint for precision settings. Adjustments are made by opening and closing of legs via an adjusting nut. Divider points are hardened to 50-55HRC for increased wear resistance.

### CONTENTS

1 x Inside Spring Calipers, 150mm
