

230V Industrial Dehumidifier, 1300W, 70L

STOCK No. 12500 BRAND Draper

BARCODE 5059482061608

WARRANTY 12 months parts and labour

FEATURES

- · Capable of extracting up to 70L of moisture from the air per day
- Digital control panel features auto-defrost, auto-reset and 24-hour timer
- Fitted with 100cm x 16mm long hose for continuous drainage
- · Washable air filter
- · Wheels and handle for easy manoeuvrability
- · Refrigerant R290 (propane based)

DESCRIPTION

This large portable dehumidifier is capable of extracting up to 70L of moisture from the air per day. It is suitable for large spaces up to 160m2 (minimum size - 14m2) to prevent the build-up of mildrew and mould. It is equipped with a digital control panel and features auto-defrost, auto-reset and 24-hour timer. The air filter is removable and washable for convenient cleaning. Fitted with 100cm x 16mm long hose for continuous drainage. The steel frame ensures high durability and long service life. Fitted with large wheels and a handle for easy manoeuvrability. Uses refrigerant R290 (propane based).

CONTENTS

1 x 230V Industrial Dehumidifier, 1300W, 70L
