Sack truck, 250kg

BRAND Draper

WARRANTY 12 months

FEATURES

- High-quality steel tubular frame
- Powder-coated finish for corrosion protection and durability
- Pneumatic tyres for shock absorption and extra traction
- Non-slip grips for safer handling
- Maximum load capacity 250kg

DESCRIPTION

This high-quality sack truck has a steel tubular frame for strength and reliability. Its powder-coated finish provides corrosion protection and minimises wear and tear. The sack truck can support up to 250kg on level surfaces. The pneumatic tyres provide a smoother ride and enhanced traction, making it ideal for tough terrains. The non-slip grips on the handles ensure comfort and safer handling.
