DESCRIPTION

Part of the D20 multi-tool battery system. The cordless combi drill has a brushless motor for enhanced performance. It features 23 torque settings, metal keyless chuck, variable speed with electronic brake, adjustable side handle, depth rod and LED worklight. Supplied with a D20 4.0Ah battery and charger. The 1/4" hex impact screwdriver bit set is manufactured from S2 steel, which is correctly hardened and tempered with a phosphate finish. Supplied in a plastic case with soft grip detail. The D20 interchangeable battery system allows you to combine the same battery/batteries with any of the tools within the D20 series.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
