

## 230V 3-in-1 Portable Air Conditioner with Remote Control, 9000BTU

**STOCK No.** 23830 **BRAND** Draper

**BARCODE** 5059482071768

**WARRANTY** 24 months parts and labour

### FEATURES

- 3-in-1 portable unit - Dehumidifier, fan and air conditioner
- Temperature setting between 16-32°C for precise cooling
- 2-speed fan settings - low/high
- Sleep mode - fan operates at low speed and the screen dims
- Other features include 24-hour timer, auto defrost, auto restart and washable filter
- Easy-to-use touch panel with LED digital display and remote control (batteries available separately)
- Compact design and easy to move around using carry handle and wheels
- Includes sash window kit with 1.5m exhaust

### DESCRIPTION

Designed for use all year round. Use the dehumidifier mode in winter, fan in spring/autumn and the air conditioner in the summer. All of this versatility within one compact portable unit. The 21.8L dehumidifier mode is ideal for drying clothes or treating damp and mould and removing the moisture and condensation from the home, garage and office. Use the supplied drainage hose with no need to vent through open windows. The air conditioning unit offers powerful cooling - 9,000BTU and a large coverage area of 18m<sup>2</sup>. The desired temperature can be set as low as 16°C. The fan (ventilation mode) has a choice of 2-speed settings - low/high. Other features include a sleep mode, 24-hour timer, auto defrost and auto start and washable filter. It is simple to operate using the touch panel with LED digital display or remote control. There is built-in overload protection for safety. The unit is easy to move around and position using the carry handles and castor wheels. It uses environmentally safe R-290 refrigerant. The remote control requires 2 x AAA batteries (available separately). It is supplied with a sash window kit with 1.5m exhaust hose, which allows for sash windows to be easily and quickly sealed for maximum efficiency.

### CONTENTS

- 1 x Window kit exhaust hose adaptor
- 1 x Exhaust hose
- 1 x Exhaust hose adaptor
- 1 x Drainage hose
- 1 x Sash window seal kit
- 1 x Remote control
