WARRANTY 12 months

FEATURES

- Professional quality
- Picks up wet and dry materials
- Attached with an automatic power tool socket
- Dust extraction facility
- Fitted with 110V plug and cable
- Supplied with a selection of accessories

DESCRIPTION

Professional high volume model with tough stainless steel tank. Designed to pick up wet and dry materials. The cleaner is attached with an automatic power tool socket allowing the user to plug in a power tool (max. 1000W) that runs directly from the cleaner. The power tool's dust extraction facility is connected via the vacuum's hose with the whole operation controlled by the power tool's on/off switch. Fitted with 110V plug and cable. Display carton. The cleaner is Supplied with the following; 2 x Steel tubes, 5m Hose with hand grip, Crevice nozzle, Round brush, Floor attachment with metal head and retractable brush, Cartridge filter, Stepped power tool adaptor. All accessories are 35mm diameter.
