

Draper Expert 230V High Flow Drum Fan, 24"/600mm, 330W

STOCK No. 99623 BRAND Draper Expert

BARCODE 5010559996230

WARRANTY 12 months parts and labour

FEATURES

- · Two rubber wheels and a pull along handle for easy manoeuvrability
- · 360° rotation for maximum air flow
- · Ideal for industrial environments
- · 330W motor with 2-speed switch
- · Mains cable 2 meter

DESCRIPTION

Fan ideal for use in large spaces, due to the high efficiency motor, which drives a high output fan. The fan features a two speed switch and is mounted in a tubular steel cradle allowing 360° rotation for maximum air flow directional flexibility. The frame is fitted with dual wheels and sturdy handles for easy manoeuvrability.
