STOCK No. 29065 BRAND Draper

BARCODE 5059482075261

**WARRANTY** Lifetime

#### **FEATURES**

- · Made from aluminium
- 180° centre vial and two 90° vials
- · Easy-to-read graduation marks
- · UV and shock-resistant vials and rubber end caps
- · Hang holes for easy storage

### **DESCRIPTION**

This aluminum I-beam spirit level features three vials: a 180° vial and two 90° vials. It has easy-to-read graduation marks on the top side, starting from zero cm in the middle and extending both left and right. The vials are UV and shock-resistant, while the rubber end caps provide added protection if the level is dropped. There is a handle and hang holes at both ends for easy storage. The accuracy is 0.5mm in a standard working position.
