STOCK No. 24258 BRAND Draper

BARCODE 5059482072383

WARRANTY 12 months parts and labour

FEATURES

- Three brightness settings plus flash and SOS. Plus, a 2,000 Lumens high-power mode
- Durable aluminium construction, robust enough to survive a 1.5m drop
- Strong magnet in the base for hands-free use
- Belt clip for portability
- Powered by rechargeable Li-ion battery
- Supplied with USC-C charging cable

DESCRIPTION

The high-power flashlight can produce 1,800 Lumens and offers three brightness settings to choose from - high, medium, and low. It also has the option to enter a 2,000 Lumens high-power mode by holding down the button. Additionally, it features two other light modes - flash and SOS. This compact torch is made from durable aluminum and can survive a 1.5m drop. It is powered by a rechargeable lithium-ion battery and includes a USB port for easy charging using the supplied USB-C cable. Furthermore, there is an LED indicator to show the charging status. The torch is fitted with a pocket clip.
