

Soft Grip Scraper with Grip Knob

BRAND Draper

WARRANTY Lifetime

FEATURES

- Scraper with a four edged carbon steel blade
- Blade has two opposed edges for rough scraping and two edges for fine scraping
- Soft grip handle for user comfort and grip knob

DESCRIPTION

Scraper with a four edged, heat treated, hardened, carbon steel blade. The blade has two opposed edges for rough scraping and two edges for fine scraping. Attached with a soft grip handle for user comfort and grip knob, enabling additional pressure to be applied.
